iCan Dance Studio Groundbreaking

Nine years ago my former co-host, Julie Mayberry, and her husband Andy gave birth to their second of four children, Katie Faith Marie Mayberry. Andy and Julie knew full well before Katie was born that she had Spina Bifida but they were determined to give her the same life experiences as their other daughters. So when Katie was three and wanted to dance they went looking for a studio. But no one was equipped to teach a child in a wheel chair how to dance...so Julie started her own and called it iCan Dance.

Today Julie and a host of "able-bodied" kids help teach dance to all sorts of special needs kids from all across Arkansas. Until now all

their classes were held, when space was available, in a middle school gym.

But during the months of February and March Beautiful Feet in partnership with KARK will build Julie and iCan Dance a studio of their very own!

Our goal is to have this studio up and operational by mid-March and to do that we

need your help. We need materials, manpower and money. If you're interested in helping stay tuned to KARK 4 Today for updates or just send me an email and I'll keep you on the list.

If you'd like to donate just click on the donate button on our website or send a check to the address on this newsletter and put "iCan Dance" on the memo line.

Thank you Cypress Crossing!

It was a tremendous duck season for us at CrossHeirs but, sadly, it's come to a close and now we begin the transition back into "retreat mode". But before we do we must say a great big "thank you" to Scot and Jennifer Kerr and everyone at Cypress Crossing Duck Club. As we mentioned before the season started it was the desire of the BF Board to scale down the retreats during the 60-day duck season and become a bed and breakfast for duck hunters. The stated goal was to raise our prices to match the going rate of duck lodges in the area and use the additional income to help us make improvements and provide a little "cushion" during the slower periods. But that would not have been possible had Scot and the crew at Cypress not done an incredible job of marketing and preparation. They had us filled up nearly the entire season! Plus when Paul and Donna took some time off to deal with the deal of Paul's Father Jennifer jumped right in and for three or four days helped prepare meals for our guests!

To paraphrase Humphrey Bogart, "This looks like the beginning of a beautiful friendship!"

New Book Shelves

This cell phone picture doesn't do them justice but our new book shelves are off-the-chart incredible!

Special thanks to carpenter Marlin Warmbold for his beautiful work. This is in our office/library area and is already stocked with books for resource material and enjoyment.

The next time your at the lodge grab a book, sit a spell and pray a special thanks to Marlin!

2012 Board Meeting

Our 2012 meeting of the Beautiful Feet Board of Directors is now in the books and very soon our annual report will be available on-line. It is always a joy to meet with these guys and be challenged, encouraged, motivated and sharpened. We left the week very excited about the direction of the ministry for this year.

Rebuilding Big Jim's Lodge was a big focus of 2011 and while we still have much work to do this year we

prayed for more community projects (like iCan), more writing and more opportunities to encourage others in their ministries. Hopefully you'll agree...we're off to a good start!
